Details of your SCE and CCA charges appear separately on the bill.

5. Your rate

Specifies the rate plan pricing schedule for your SCE account.

6. Your payment stub

Shows the amount due and the due date. When you pay your bill to SCE, we will be responsible for transferring the generation portion of your payment to your CCA. If you're paying by mail, remember to write your customer account number on the "memo" line of your check and make sure the SCE address is visible in the return envelope window. Check this section each month for important news and information about your bill, SCE programs and services, and more.

17

Things you should know

2020 Fixed Recovery Charge

SCE has been permitted to issue bonds that enable it to recover more quickly certain costs related to preventing and mitigating catastrophic wildfires. Your bill for electric service includes a Fixed Recovery Charge that has been approved by the CPUC to repay those bonds. The right to recover the Fixed Recovery Charge has been transferred to a separate entity (called the Special Purpose Entity) that issued the bonds and does not belong to SCE. SCE is collecting the Fixed Recovery Charge on behalf of the Special Purpose Entity.

DWR Adjustment

This is a refund from the California Department of Water Resources (DWR) relating to the purchase of power during the 2000-2001 energy crisis. The adjustment line item will only appear on bills of customers who previously paid the DWR Bond Charge.
